

Steve Baker Sports Agent

Shops at Good Guys™

AUDIO/VIDEO]

As a sports agent, I need to keep up on all the players. But keeping score on all the latest technology is a whole other game. So I shop Good Guys. Their product specialists helped me recruit the perfect entertainment system for my office. They even helped me find this Sanyo 5300 wireless camera phone and set me up with a great wireless plan. Nothing beats closing a good deal.
